The Executive Board and Publishers of the Journal of Scientific Psychology would like to thank all of the board members and reviewers for their continued support in the

coming year.

Spread the Word: Now Accepting Submissions for 2008

JSP is now accepting submissions for 2008. In addition to empirical works, theoretical and historical articles are encouraged. Instructions for authors can be found at [http://psyencelab.com/about/submission/..](http://psyencelab.com/about/submission/)

For information regarding book and movie reviews please contact Robert Mather at rmather@psyencelab.com.

Spread the Word: Now Accepting Reviewers for 2008

Professionals and students interested in reviewing for JSP should send a request to review and a copy of their vita to admin@psyencelab.com. JSP believes in the evolution of the next generation and therefore requires that all articles be reviewed by at least one student in conjunction with professional reviewers.

Wishing you all the best during the coming year,

The Journal of Scientific Psychology
